

Directions to Rotaflow

From the south (M1): Get off the Motorway at Chesterfield. In Chesterfield follow signs for Buxton. Once out of Chesterfield follow signs for Stockport. Eventually you will be on the Whaley Bridge by-pass shown below, at the roundabout take the second exit to Whaley Bridge. Bingswood Industrial Estate is the second left (hairpin turn) and is signed.

From the south (M6/M5): You can take either the Sandbach, Stoke or M42 exits. We prefer M42 then Ashbourne, Buxton route. When in Buxton follow signs for Whaley Bridge and see below.

From the north: You will eventually end up on the A6 (best avoided as long as possible, Stockport & Hazel Grove can be congested). Once on the A6 go south towards Buxton once at Whaley Bridge follow the map below.

From Manchester Airport: Take the M56 towards Manchester (If I remember correctly, it's best to keep in the left lane at first because there is an early junction to Stockport). When the M56 joins the M60 East follow signs for Stockport town centre. When off the motorway at Stockport follow signs for the A6 south to Buxton. Follow the A6 for approximately 8 miles until you get to the round about pictured. Take the second off the roundabout to Whaley Bridge. Bingswood Industrial Estate is the second left (hairpin turn) and is signed.
